If the events leading to force majeure last longer than two (2) months without interruption or more than six (6) months in total, the Parties shall reach an agreement on how to proceed, e.g. time extension, full or partial termination of the Individual Order, taking into account the specific circumstances and their impact on the performance of the contract. In any case *B&R* shall have the right of upfront payment by *Purchaser*, even before acceptance of an *Order* or any delivery.
- 11.3.** All work shall be subject to credit approval by *B&R*. If *Contract Products* are not delivered at one time, *Purchaser* shall pay the unit price applicable to the *Contract Products* delivered.
- 11.4.** Each shipment of *Contract Products* shall be considered a separate and independent transaction. *B&R* may, at any time, decline to make shipments or deliveries of *Contract Products*, or extend additional credit, except upon receipt of payment. - 11.8.** Ownership over the *Contract Products* remains with *B&R* until the full payment agreed has been received.
- 11.9.** Without prejudice to any other remedies, *B&R* shall be entitled to immediate repossession of any *Contract Products* delivered by *B&R* if *Purchaser* fails to timely pay for such *Contract Products*, and *Purchaser* hereby permits *B&R* entry to *Purchaser's* premises for such purpose and waives any and all rights to notice or hearing prior to seizure of the *Contract Products* following default in payment.

- 12.4.** *B&R* will under no aspects whatsoever be liable for (i) suitability of the *Contract Products* for the use intended by *Purchaser*; (ii) normal wear and/or tear; (iii) improper handling, use, operation, storage, shipment or lack of maintenance, (iv) errors, including, but not limited to, software errors that are common without impairment of use and (v) functionality and/or performance of the *Contract Products* with respect to *Purchaser's* applications.

Written notice of defects must be given within 7 working days from date of receipt at the latest. If a functionality problem or other defects are only identifiable at a later date, written notice of defects must be given no later than 7 working days from date of detection. *Purchaser* must provide evidence of the date the defect was detected.

If notice is not given or not given within the specified period of time, the *Contract Products* delivered shall be deemed accepted, and *Purchaser* can make no claims based on defects.

- 12.6.** The warranty covers free improvement (repair) or replacement of the defective *Contract Products* by flawless *Contract Products* according to *B&R*'s choice. *Purchaser* is not entitled to any further claims for defect, in particular claims for avoidance of contract, price reduction or damages. Substitute performance by third parties is not permitted. The warranty obligations are fulfilled at *B&R*'s expense (excluding cost of transport to *B&R*); expenses incurred by *Purchaser* in connection with the warranty will not be refunded.
- 12.7.** **There is no obligation for *B&R* to update (improve/repair) software provided to the *Purchaser*.**
- 12.8.** Insofar as *B&R* may provide any consultancy services (such as implementation/installation of hardware and/or software etc.), *B&R* shall not assume any liability therefore to the extent legally possible; in particular, *B&R* shall not be liable for the functionality of its software in customer-specific applications.
- 12.9.** With respect to software development or similar services provided by *B&R*, *B&R* warrants that it shall perform the services in good faith and in a professional manner. *B&R* disclaims all other warranties, either express or implied, including, without limitation, warranties of merchantability and fitness for a particular purpose. The *Purchaser*'s exclusive remedy for any breach of this warranty shall be for *B&R*, upon receipt of written notice given within 7 working days, to use diligent efforts to cure such breach, or, failing any such cure in a reasonable period of time, the refund of fees paid to *B&R* hereunder with respect to the services giving rise to such breach. *B&R* shall not assume any liability therefore to the extent legally possible.

13. Other Liability (Damages)

- 13.1.** *B&R*s shall regardless of the legal grounds (e.g. due to breach of duty, defects, default, tort, indemnification claim, infringement of property rights, recall action), *only be liable to Purchaser* in the event of fault and then per Individual Order and subject to proof of expenses actually incurred as follows:
- 13.2.** The total liability of *B&R* for whatever legal reason in connection with the respective Individual Order is limited to a maximum of 100% of the value of the Individual Order with the exception of Art. 13.3.
- 13.3.** *B&R*s liability to *Purchaser* is unlimited in cases of (i) acts of willful misconduct (iii) gross negligence (unless otherwise individually agreed), (iii) injury to life, body and health and (iv) in cases where unlimited liability is mandatory by law (e.g. product liability) and can not be limited.
- 13.4.** In the event of slight negligence, which is based on a slightly negligent breach of material contractual obligations, *B&R*'s liability shall be limited to foreseeable damage typical for this kind of contract.
- 13.5.** *B&R* shall not be liable for other cases of slightly negligent.
- 13.6.** Notwithstanding any other provision of this GTCs, except in case of Art. 13.3, any liability for operational interruption, loss of profit, loss of information and data,

loss of production, loss of energy, loss of business, loss of use or for any indirect or consequential damages or losses of the same kind are excluded. Loss of profit includes the loss of a commercial opportunity that already constitutes a distinct asset for *Purchaser* at the time of the damage (e.g. due to an already existing agreement between *Purchaser* and a third party). *B&R* will not be liable for financial losses of *Purchaser* in connection with work carried out and expenses incurred by *Purchaser* in the context of warranty.

- 13.7.** Claims for damages and reimbursement for expenses against *B&R* have a limitation period of 12 months after delivery of the *Contract Products*, or in the case of liability in tort from the date of knowledge or grossly negligent ignorance of the circumstance giving rise to the claim or the person liable to pay damages.
- 13.8.** Where the liability of *B&R* is excluded and/or limited, the same shall apply to its representatives, employees and other subcontractors.

14. Industrial Property Rights

- 14.1.** *Purchaser* acquires ownership in physical *Contract Products* (e.g. hardware, [reproduced] user manuals etc.).

Furthermore, *B&R* will grant *Purchaser* the non-exclusive right, unlimited in time, to use the training materials as provided (tutorial videos, text files, etc.) for internal training purposes. In particular, *Purchaser* shall be entitled to cut training materials itself and to transmit, send, perform and make available these training materials on the hardware/final product for internal training purposes by wireless or wired means. In this case, *Purchaser* guarantees that the cut training materials does not create a misleading impression about the use and application of the contractual products and that no essential information is lost. Otherwise, *Purchaser* shall be liable for all damages, costs and losses (including all reasonable costs for legal prosecution and defense) incurred in this connection.

- 14.2.** *B&R* will grant *Purchaser* all necessary *Property Rights* so that *Purchaser* is able to use the *Contract Products* according to the contract. In case of an *Individual Order*, *Purchaser* must comply with the license terms that are applicable to the *Contract Products* at the time when the risk passes to *Purchaser*; the terms will be provided to *Purchaser* upon request. Applicable license terms are set forth under www.br-automation.com/eula.

Without prejudice to the aforesaid, *B&R* remains the owner and/or sole holder of all *Property Rights* relating to the *Contract Products*. The licenses for use granted to *Purchaser* are covered by the agreed payment, unless otherwise agreed. *Purchaser* does not acquire any exclusive rights.

- 14.3.** *B&R* warrants that the *Contract Products* do not infringe any *Property Rights* of third parties in the countries of the European Union and in Australia, Brazil, China, India, Iceland, Japan, Canada, Mexico, Norway, Russian Federation, Switzerland, Singapore, South Korea, Turkey, United Kingdom and USA. All other countries have not been checked in this respect by *B&R*; clause 14.5. shall apply accordingly. *Purchaser* will support, at its own expense, *B&R* in this regard.
- 14.4.** *Purchaser* shall inform *B&R* of any (potential) infringement of property rights that becomes known to *Purchaser*. In this case and where infringement of third-party *Property Rights* is claimed, the *Parties* will, each at their own expense, cooperate and do everything to ward off such claims without undue delay. Such defense measures will be coordinated by *B&R*. Lawsuits will be pursued by *B&R*, unless this is impossible or unless otherwise agreed. If *Purchaser* pursues the lawsuit, constant coordination

with *B&R* will be required, and *B&R*'s decisions must be adhered to. *Purchaser* shall not recognize any third-party claims or enter into settlements independently. If *Purchaser* does that, he must fully indemnify and hold *B&R* harmless in this respect. The *Parties* shall always inform one another, without undue delay, of any infringement claims and the resulting consequences.

- 14.5.** If according to a legally binding judgement the *Contract Products* infringe third-party *Property Rights*, and the use of the *Contract Products* is thereby impaired or made impossible, the following shall apply: (i) The *Parties*, under the coordination of *B&R*, shall initially endeavor to keep the necessary usage rights in effect. Any costs arising therefrom (including, but not limited to, license fees) shall be borne by *B&R*. (ii) If the usage rights cannot be obtained or can be obtained only on unreasonable conditions, *B&R* shall, at its own expense, change the relevant *Contract Products* in such a way or replace them by other (similar) products that there is no infringement of the relevant *Property Right*. This will enable the *Purchaser* to use the *Contract Products* (and/or other similar products). The agreed specifications shall be complied with in all material respects as far as possible. Insignificant deviations causing no functional problems shall each be considered *B&R*'s BIP. (iii) *B&R* may also exempt the *Purchaser* from any license fees payable to a third party for use of the *Contract Products*. (iv) Should all this be impossible, *B&R* will take the *Contract Products* back and refund the payment.
- 14.6.** *B&R* accepts no liability for changes to the *Contract Products* made by *Purchaser* or its customer. Nor will *B&R* accept liability for infringement of third-party *Property Rights* where the *Contract Products* are based, even partially, on *Purchaser* specifications or user-specific use of the *Contract Products*.
- 14.7.** Any claims of *Purchaser* other than those set forth in this clause 14. are excluded. *B&R*'s liability is as set forth in clause 13.
- 14.8.** In all cases, *BIP* shall remain the property of the originating party. All inventions, discoveries, developments and improvements made or conceived in whole or partly (i) by *B&R* on it's own or (ii) by *B&R* in conjunction of any service performance for *Purchaser* or with any input from *Purchaser*, shall each be considered *B&R*'s BIP.
- 14.9.** *B&R* shall not be liable in any way whatsoever in case that the *Purchaser* infringes intellectual property rights of third parties due to or as a result of the specific use the *Contract Products* provided by *B&R*. The *Purchaser* shall fully indemnify and hold *B&R* harmless in this respect, in particular with regard to any claims of third parties in this respect.

15. Sanctions and Export Controls

- 15.1.** *The Contract Products are subject to foreign trade restrictions, including dual-use trade controls. The Parties will comply with all applicable Sanction and Trade Control Laws in connection with these GTC. Sanctions and Trade Control Laws and regulations include any applicable laws, regulations, or administrative or regulatory decisions or guidelines that sanction, prohibit or restrict certain activities including, but not limited to, (i) import, export, re-export, transfer, or trans-shipment of goods, services, technology, or software; (ii) financing of, investment in, or direct or indirect transactions or dealings with certain countries, territories, regions, governments, projects, or specifically designated persons or entities, including any future amendments to these provisions; or (iii) any other laws, regulations, administrative or regulatory decisions, or guidelines adopted, maintained, or enforced by any Sanctions Agency on or after the date of the Individual Order (collectively, "Trade Control Laws").*

- 15.2.** The *Parties* confirm that they have not violated, shall not violate, and shall not cause the other *Party* to violate, any applicable *Trade Control Laws*. Each *Party* represents and warrants that, to the best of its knowledge, at the date of the *Individual Order* neither it, nor any of their respective directors or officers are a *Restricted Person*. Each *Party* agrees that it shall promptly notify the other *Party* if it becomes a *Restricted Person*.
- 15.3.** If, as a result of (i) *Trade Control Laws* are issued or amended after the date of the *Individual Order*, (ii) the *Purchaser* or the end-user is/becomes a *Restricted Person*, or (iii) any necessary export license or authorization from a *Sanctions Agency* is not granted, the performance by *B&R* or by any affiliates becomes illegal or impracticable, *B&R* shall, as soon as reasonably practicable, give written notice to the *Purchaser* of its inability to perform or fulfil such obligations. *B&R* shall be entitled to either immediately suspend the performance of the affected obligation under the *Individual Order* until such time as *B&R* may lawfully discharge such obligation or unilaterally terminate the *Individual Order* in whole or in part from the date specified in the said written notice or from any subsequent date thereafter. *B&R* will not be liable to the *Purchaser* for any costs, expenses or damages associated with such suspension or termination of the *Individual Order*.
- 15.4.** The *Parties* undertake to obtain all the necessary licenses and/or permits from the competent authorities for the import or export of *Contract Products*. In particular, *Contract Products* that are subject to the U.S. Export Administration Regulations ("EAR") must not be exported without obtaining the valid licenses/authorizations of the competent US authorities, including non-US items with controlled US content above the permitted de-minimis level and non-US items with controlled US content for which there is no de-minimis level.
- At the request of B&R, the Purchaser must provide B&R with a letter of assurance and an end-use statement in the form required by B&R or the competent authorities.
- 15.5.** The *Purchaser* represents and warrants that the *Contract Products* are for civil use only and that it will not directly or indirectly sell, export, re-export, release, transmit or otherwise transfer any *Contract Products* received from *B&R* to any *Restricted Parties*, or parties that operate, or whose end use will be, in a jurisdiction/region subject to comprehensive sanctions (including Cuba, Iran, North Korea, Syria, and Crimea, Luhansk, Donetsk, Kherson, and Zaporizhzhia regions of Ukraine), or Russia or Belarus.
- 15.6.** If a *Party* notices that it has acted in infringement of applicable *Trade Control Laws* in connection with the *Individual Order*, the *Party* must notify the other *Party* immediately. In the event of infringement of applicable *Trade Control Laws* in connection with the *Individual Order* or breach of the obligation to notify, the *Parties* shall have the right to terminate the *Individual Order* for cause. Neither *Party* will be liable for any costs, expenses or damages associated with such termination of the *Individual Order*.
- 15.7.** For the avoidance of doubt, no provision in these *GTC* shall be interpreted or applied in a way that would require any *Party* to do, or refrain from doing, any act which would constitute a violation of, or result in a loss of economic benefit under, applicable *Trade Control Laws*.
- 15.8.** Export Control Clause

In order to comply with national and international foreign trade regulations/laws, the Parties will support each other and provide all necessary documentation and

information, such as relating to the registration of items to be exported in export control lists or to the final destination and end use of the items. Neither Party is obliged to perform its obligation under the contract in violation of any statutory or export control regulations. B&R shall have the right at any time to withdraw from the contract, without incurring any liability for either Party, if

- the Purchaser, despite request, does not provide either any or sufficient enough information about the final destination and the end use of the goods;
- B&R obtains knowledge of an unintended end use after tendering or knowledge of any previously unknown person involved in the business and cannot perform the contract due to any export control or intra-group regulations;
- the items or services are intended for military end use, civil nuclear use or for use in connection with weapons of mass destruction or for missiles capable of delivering such weapons; substantive evidence shall be sufficient to prove this intent; or
- a possibly illegal or unlicensed export or an infringement of embargo rules cannot be fully ruled out.

The Purchaser further represents that it will not directly or indirectly sell, export, re-export, release, transmit or otherwise transfer any items received from ABB to any parties that operate, or whose end use will be, in a Belarus, Crimea, Cuba, Iran, North Korea, Russia, Syria, as well as the Donetsk, Luhansk, Kherson, and Zaporizhzhia regions of Ukraine (such list may be amended by B&R at any time).

If the Buyer infringes any obligations in this clause in connection with the contract, the Buyer must immediately notify B&R. Failure to comply with these Trade Control obligations shall be considered a material breach, and B&R shall have the right to withdraw from the contract with immediate effect. Such withdrawal would be without prejudice to all rights of recourse which could be exercised by B&R, and B&R shall not be liable to Purchaser for any claim, losses or damages whatsoever related to its decision to terminate performance under this provision. Further, Purchaser shall indemnify B&R for all liabilities, damages, costs, or expenses incurred as a result of any such violation, breach and/or termination of the Agreement. B&R may report such violations to relevant authorities as required by applicable Trade Control Laws.
